Dear St. Virgil Parents:

It was a pleasure to meet many of you at the announcement meeting on February 8th. I was impressed with both the spirit and genuine sense of caring that many parents articulated at the meeting. Since then, I have also corresponded with many of you via email.

As Fr. Francis and I have since met several times, it has been exciting to see so many people in Morris County talking about St. Virgil's. With newspaper coverage also following the partnership, it's safe to say that much of "the buzz" about St. Virgil's has been very positive.

I am now happy to share some transition steps that will be essential as we move forward:

- **Transition Team:** Superintendent John Eriksen has assigned Mrs. Patricia Deleu to chair the team. Patricia is a former elementary school principal who assists the Schools Office on special projects. This team is made up of both St. Virgil's parents and Morris Catholic leaders.
- **Meeting Dates:** The following dates have been set for the transition team to meet: Feb. 24, March 3 & 25. Look for updates before and after these dates.
- **Website Tracking:** Both www.stvirgil.org and www.morriscatholic.org will feature updates and schedules of when the transition team will meet. We intend to publish the agenda and meeting notes before and after each meeting. Each site will have a link to a special blog that we've set up.
- **Reregistration / PreK-Grade 8:** During the week of March 29, reregistration packets will be distributed. These will have information specific to those in grades PreK-5 as well as for rising members of the Junior School in grades 6-8.

Both Fr. Francis and I continue to be extremely enthusiastic about the partnership between Morris Catholic and St. Virgil's. Please feel free to contact me during the day at my office in Denville: 973-627-6674 (ext. 137) or via email mstpierre@morriscatholic.org.

Yours in Christ,

Michael St. Pierre
President

P.s. It continues to be a goal of increasing enrollment for all grades. I invite each family to be on the lookout for potential families and students. Together, we can do it!
